THE MARCH IN ACTION

THE WORLD MARCH OF WOMEN'S THIRD INTERNATIONAL ACTION NEWSLETTER

We are on the March!

The Third International Action of the World March of Women was launched with actions in 52 countries around the globe. In this newsletter we present a selection of photos received until the morning of 12th March. We are receiving daily reports, photos, videos and other materials of the actions held and we are publishing on the website of the 2010 action (www.wmw2010.info). The next newsletter will review the actions after the closure of this first moment of actions in the 18th March.

In feminist solidarity,
